Information

Background:

On January 8, 2022 information was received from Greater Sudbury Police Service regarding Facebook user [REDACTED] who has been posting numerous videos on his own Facebook page as well as his wife's. The user is a self-proclaimed "freedom fighter" and claims to be organizing some big anti-vaccine events in Toronto and Ottawa and advocating for violence.

On January 20, 2022 information was located through open sources that further identified [REDACTED] in a live stream video expressing statements that detail plans for forcing a governmental change within Canada on or about January 29, 2022, at Parliament Hill in Ottawa.

1. [REDACTED] posted a 7:23 minute video of himself to Facebook stating he is one of the main organizers along with [REDACTED] and 'all our organizers across the country for Canada-Unity' who have been working together to stage a large nationwide convoy action. He has also been working with [REDACTED] on the backend to get a new social media site up and running. The site is identified as Canada-Unity.com/bearhug. He states all the convoy routes are posted as of last night; "if you guys need anything please reach out to me". (B/R)
2. [REDACTED] states: The Truckers are going to make our country come back. They will not leave Ottawa until The Liberals and Justin Trudeau leave and lift the mandates. They are criminals. So now Patriots are rising up. (B/R)
3. [REDACTED] states: we have over two-thousand truckers. Trudeau has got to go, there is no pleading, Trudeau is to leave Parliament and then the truckers will leave. (B/R)
4. [REDACTED] then lists the following demands using his fingers: The mandates have to lift; the Liberals have to leave; Trudeau has to resign; and we need to fix our country. That's what we're doing. There is a lot more to it than that. We are compelling the Senate with an MOU to remove the mandates right now. (B/R)
5. [REDACTED] states: We have over two-thousand truckers and over 40,000 Canadians participating in this right now. (B/R)
6. [REDACTED] states: This is the biggest event in Canadian history to fight back against tyranny. (B/R)
7. [REDACTED] states he has meet times and routes and a couple of events: on January 22, 2022, [REDACTED] a local (Sudbury) event to support Truckers, at Evans Lumber at 12:00 hours convoying to the Four Corners. Then January 23, 2022, is the World Wide Rally and is the start of BearHug 2.0. (B/R)
8. [REDACTED] states: we are starting from British Columbia and we are driving across the nation, we got the truckers from PEI. (B/R)
9. People are coming up from Detroit, from New York, from all over the United States. Spread the word, this is the biggest thing I have been part of. (U/R)
10. [REDACTED] states that all of the 'truckers' part of this action are not contributing to the food/supply chain shortage as they are not working and have empty loads. They have been suspended from work owing to the Federal Government mandates regulating COVID-19 vaccination status. 16,000 truckers are without work right now. (B/R)
11. [REDACTED] states that he also wants his audience to know that Maple Lodge Farms destroyed 52,000 chickens yesterday and a trucker picked up all the dead chickens because of COVID and no one was working. Maple Lodge is killing food because of a COVID cult. (B/R)
12. At approximately 5:41 mins in the video [REDACTED] states: we are going to push and push and now this time I am going to tell you something, the government can't even use the military. Do you know why? Because I got two divisions of the military to support our convoys they're going to be dressed in full uniform to support the convoys. I have three divisions of Canadian military veterans that are going to be showing up in support of our truckers. And right now we have active members of the military who are going to show up so the Military are going to say 'fuck you to Justin Trudeau' and support our truckers in this country. This is a historic event. (B/R)
13. Toward the end of the video [REDACTED] states this is the ultimatum, Trudeau leaves, mandates end. He then asks for supporters to private message him or call him and provides the following phone number: [REDACTED] He closes by stating he will help out with whatever people need; in Northern areas call him or [REDACTED], or if in Sault Ste. Marie get a hold of [REDACTED] (B/R)
14. [REDACTED] has been identified as [REDACTED] of Sault Ste. Marie, ON. (C/R)
15. [REDACTED] is known to police for his involvement in previous anti-mandate protests throughout 2021. (C/R)
16. [REDACTED] is an Alberta-based long-standing anti-mandate/anti-government protester. (C/R)

17. [REDACTED] shared a live stream video approximately 27 minutes in length posted January 17, 2022, to the social media platform Freecanada.win where he shares plans for the Canada-Unity BearHug 2.0 nationwide convoy to Parliament Hill, Ottawa, for January 28, 2022. (B/R)
18. [REDACTED] states he is "Command 1" for this action, and there are many other Commands from across the country. (B/R)
19. [REDACTED] states 'this' has become bigger than him and that he has global reach, he is giving interviews to people around the world. (U/R)
20. [REDACTED] states he is in Red Deer, Alberta, and he is going dark tonight to get some sleep. (B/R)
21. [REDACTED] shares that 'they' have put together a package for everyone looking for information. Road Captains are instructed to check their emails. They have to get this document/ form [displays a screen share of a document – see photo 2b] (B/R)
22. The Document shared by [REDACTED] appears to be a form with a title "Freedom Convoy 2022 Registration Form", [REDACTED] explains there are two hashtags #SLOWROLL and #OPERATIONBEARHUG – these are their 2 number one hashtags. [see Photo 2b]. (B/R)
23. Approximately 9 minutes into the video, [REDACTED] addresses the "Road Captains" and explains they are to going to a form document. When the Road Captains meet up with their applicable groups and are in the convoy line up, all drivers, all mechanics, and all pilot trucks are to receive this document, they will fill it out. Road Captains are to collect the forms and retain them in a folder; these documents are for transparency and reimbursement of costs. [REDACTED] will then collect the forms from the Road Captains when they "reach up" in Ottawa. The forms will then be given to their accountant, [REDACTED] who will be travelling with them. (B/R)
24. [REDACTED] states he understands they have "body jobs" and four-wheelers which will be addressed at a later time, the current concentration is on professional drivers. Each driver is to have their own file with the accountants to ensure all the truck drivers are compensated. (B/R)
25. [REDACTED] emphasizes the Road Captains need to check their emails and to get these forms completed. (B/R)
26. At approximately the 12 minute mark of the video [REDACTED] shares screen shots of the organizational/logistical information concerning the routes of the convoy and announces a date change for the Southern Route, group is now going to mobilize on January 27, 2022, instead of January 28, 2022; and this is due to the logistics and number of participants joining the action. (B/R)
27. [REDACTED] then addresses the Road Captains and calls out the names: [REDACTED] stating he doesn't have an e-mail for him; [REDACTED] – check your e-mails. (B/R)
28. [REDACTED] speaks about the convoy from Windsor to Kingston, restates the departure date has been moved up by a day, the same is for Sarnia, Niagara and Toronto – all arriving in Kingston for 5 pm. There is a rally and something planned there. (B/R)
29. [REDACTED] explains the groups in Kingston will be staying overnight from January 27 to January 28, and states: Ottawa you're going to get a little bit of a taste of how this is all gonna happen. You're going to get a Re-Con Mission for every single person out there in Ottawa area and Ottawa Police Services are basically going to get a test run of what they're going to get on Friday and say hey we got more coming. (B/R)
30. [REDACTED] addresses the Eastern Route, states that route is also departing on January 27, 2022, and that he will be part of the West Route, arriving in Ottawa on January 29, 2022. (B/R)
31. [REDACTED] displays a screen with information and states 'they have even put up some hotel information for you guys'. (B/R)
32. [REDACTED] also states this is not just for truckers, this is for everybody. (B/R)
33. [REDACTED] explains there are changes in the Western Route as well, while sharing a screen he identifies the contact information for the Western Route Road Captains. (B/R)
34. At approximately 17:50 minutes [REDACTED] appears to address a comment sent in to the live stream and states he is not wasting time, he is updating everyone to the changes as they are a professional group. In what appears to be another comment sent to him while streaming, he states: should I put my buffalo helmet and skins on? You do what you want man! be careful though 'cuz I've always said I wanted to ride a buffalo! (B/R)
35. [REDACTED] states his hometown is Sault Ste. Marie and that there is a special event planned for this location which includes lodging and meals for a group of 300 people, more details will be posted about this when they become available. [REDACTED] is the point of contact for Sault Ste. Marie. (B/R)
36. [REDACTED] states there will be a massive amount of trucks and four-wheelers in Sault Ste. Marie. A lot of organizing has been done for this area and information will be given out to the participants on the road through [REDACTED] (B/R)
37. [REDACTED] states he will be staying with his mother while in Sault Ste. Marie. (B/R)
38. At approximately 19:30 minutes in the video, [REDACTED] states: we have to work around these guys, all the authorities, we don't want to disrupt everybody's supply chain we just want to disrupt the ones who are disrupting us and that's Ottawa. So that's the one we are going to hit on. (B/R)
39. At approximately the 20:29 mark, [REDACTED] addresses the topic of First Aid volunteers and they will be delegated. All volunteers will have to show proof of qualifications, EMRs, EMS, and nurses. (B/R)
40. At 21:00 minutes, [REDACTED] states that they have attracted the attention of the United States Media, many outlets will be coming to cover the event. (U/R)
41. [REDACTED] advises all the plans and information can be found at Canda-Unity.com/bearhug, where everyone can find their applicable times and arrivals. (B/R)
42. At approximately the 23:00 minute mark, [REDACTED] states he is so proud of everyone involved and for knowing what the outcome is going to be, the outcome is going to be this is over, we're done. So we're going to be making sure that everyone is a part of this and enjoys what they are doing because this is going to be a phenomenal thing. (B/R)

43. [REDACTED] then states: we're going to get this done, you seen what happened in Britain, Britain lifted all their mandates, remember you're a commonwealth country, you're not a free country Canada, you still belong to the British so they're seeing what we're doing, this is happening guys, this is going to happen in a monumental scale. (B/R)

The term Patriots has been adopted by many within the anti-government movement to oppose the public health restrictions (mandates) brought about by the COVID-19 pandemic. BearHug is a reference to an action carried out by members of Canada-Unity in December 2021, when they attempted to have an MOU signed and served to the Canadian Senate, Parliament Hill, Supreme Court, and Governor General's residence. They attempted to occupy the city of Ottawa without success. A smaller action was successful in Peterborough, ON, where using a transport truck, supporters blocked an intersection for some time and held a protest.
